Finding Daddy Warbucks

by David Hwa

About the Book

We never know how God may lead us. The twists and turns of life often leave us confused and deflated. For young Haley, the unexpected loss of her father was such a twist. When all is lost, a little light in the darkness can make all the difference. The world is a big place for a little girl. For that matter, it's a pretty big place for anyone who has lost their way.

Hayley finds her solution in a modern day prince, but she can't pull off this miracle by herself. Nick, an attorney struggling to save his job, wouldn't seem to be much help to a little girl trying to create a miracle. But life has a way of bringing us the people we need most, at just the right time. Still, there is so much that could go wrong, especially when her headstrong mother doesn't fall for the prince. But there's something Hayley doesn't see coming, something she can't see. Something she doesn't want to see, something that hides in the dark where she can't go. Something unspeakable.

Follow Haley's journey into the light and see how redemption is there for anyone, even the condemned. And see how love can find us—even through the darkness.

Hayley is a little girl who desperately wants to fix her family. Usually life doesn't give do overs. But when the stars align just right, sometimes there *is* a second chance.

About the Author

David Hwa made his literary debut with *Finding Daddy Warbucks* (2014), a tale of a little girl's journey through loss, love and redemption.

David grew up in Kansas. He graduated with a music degree from the University of Colorado and went on to obtain a Master of Business Administration from Denver University, a law degree from Pepperdine University School of Law, and a Master of Laws from Georgetown University Law Center.

David is single and lives in Denver, Colorado. He spends his days writing, hiking, biking, and skiing.
